The University of Minnesota students, faculty and staff would like to invite you and your family to view a pre-recorded Service of Gratitude in honor of the Anatomy Bequest Program donors, without whose donation our education would be incomplete. While we wish to remember and celebrate your loved one in person, COVID-19 risks and current guidelines have limited our ability to host our traditional Service of Gratitude.

You may expect to receive a gift as a token of the Anatomy Bequest Program's gratitude for your loved one's generous contribution. Each donor family will receive a gift by mail in late November of 2021.
