

DEPARTMENT OF FAMILY MEDICINE AND COMMUNITY HEALTH

WOODWINDS

SUMMARY

Woodwinds Hospital Family Medicine Residency is a vibrant group of physicians, dedicated to learning and serving the community.

We have a busy clinical practice, caring for diverse ethnicities, ages, and pathologies in the Frogtown neighborhood of St. Paul, two blocks from the Capitol.

The hospital offers a mix of a community hospital and tertiary referral center, affording residents opportunities to treat and prevent the full spectrum of medical pathologies. Woodwinds Hospital is located in the East Metro.

We seek residents who are excited to train in both urban and suburban settings and dedicated to family medicine.

Program Size

8:8:8
