*TO GROW
IS TO THANK THE ONES THAT HELPED US
AND TO PROMISE OUR BEST
GOING FORTH*

Melissa Stuckey
Medical Student, Class of 2018

As a symbol of the help given to us by your families, and the goodwill we promise going forward, please accept a plant as a small token of our appreciation. To ensure that each family receives a plant, please accept only one plant per each donor family until all families have received one plant. Any remaining plants will be distributed during the reception.

The plants require bright light and watering only when completely dry. For more information on caring for your plant, please access: www.thesucculentsource.com
