*Non Resident tuition \$17,599 per semester

Cost of Degree Tuition Policy provides for a guaranteed tuition rate for all four years of the medical school curriculum. Once determined, your tuition cost per year will remain fixed until completion of your degree.

*Budgets may be increased for dependent childcare.

\$1,400 computer loan available, once school has started in August, bring in receipt and fill out a computer loan request form after first week of classes. Also, if you have to purchase AHC Health insurance, the cost of insurance will be added to your budget in the form of a loan, **you will have to request the health insurance loan**, and it will be added.
